Must mention code SALS

Come enjoy heart pounding rapids on the New River – AKA “The Grand Canyon of the East!”

The staff and members of the Southern Appalachian Labor School (SALS) strongly support patronizing Class VI Mountain River for your New River rafting trips. In addition to being a long time respectable outfitter who will provide you with very competitive rates, Class VI Mountain River, will in turn, sponsor a trip for the members of SALS community. Without this opportunity, the members of SALS would be unable to experience the excitement of rafting.
